EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Quintero on 9-15-2004.

The application has been amended as follows:

In claim 1, line 5, the phrase "the top edge" has been changed to --each of the top edges--

In claim 5, line 9, the phrase --on the first bottom surface-- has been inserted after the word "edges".

The above changes have been made to particularly point out the invention so as to more clearly distinguish over the prior art of record.

The following is an examiner's statement of reasons for allowance:

The primary reason for allowance of the claims is the key structure requirement that the projection of each of the top edges of a key cap on the bottom surface and the bottom edge of the same side surface form an angle.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
